To Whom It May Concern:

We have been utilising the services of Big Screen advertising for the past 12 months at Reading Cinemas in Chirnside Park Victoria.

The feedback and response we have received from our local community has been overwhelming and to be honest far beyond our expectations. The nature of our business is highly competitive so when our local community require electrical appliances it is imperative that "Chirnside Park Retravision" is their first port of call.

I can only highly recommend Big Screen as a professional cinema advertising company that does deliver results.

Yours sincerely
