Dear John,

I write to express my sincere thanks for the way in which you and your company handled our March advertising campaign for Malfunction.

To be quite honest, we were very nervous about undertaking such a big project, and spending so much on advertising. As we met with you however, our fears were put to rest. We were impressed to find just how far our money could go.

We had many reports of people seeing our ad in the cinema and we have no doubt that people came to our event because of the ad. It was very successful.

Thank you so much for your work on our behalf, for your generosity and willingness to go the extra mile. We are deeply grateful. We have and will continue to recommend you to others.

Many blessings

Minister, the Uniting Church in Unley and Malvern
